The attachment lists the delivery commitments of steel castings from four DDR factories to various users. The consumers are listed according to priority (Dringlichkeitsstufe). The deliveries are given for the six month period July through December 1952. The delivering plants are those at Riesa, Hennigsdorf, Gröditz and Freital. The recipients are not exactly defined in each case. All amounts listed are tons.

25X1

25X1

Comment: Commas are to be read as decimal points throughout this report. The monthly figures for steel castings at Hennigsdorf appear to have dropped
